

## Book Club

**Monthly meetings are usually on Tuesdays at 1:00 P.M.** and are held at the Babigian residence, 5249 Cape Leyte Drive, Siesta Isles. Based on the University of Chicago model of "Shared Inquiry," we read and discuss anything from Aeschylus to Pinter, Aristotle to Pinker and beyond and usually reach consensus on the answers to fundamental questions raised by a text. Participants come to the discussion with their own unique way of viewing the selection; they then build on their own views through a sharing of ideas.

We'd love to have you join us in these discussions. Please contact Nanci Babigian at [nancibabigian@verizon.net](mailto:nancibabigian@verizon.net).
